

SURAJ SINGH (MATRIX 9) ▾

○ P26826 - Ace of Diamonds - sadir

≡ Description

A retailer has posted a project with the details below:

The client would like white gold ring set as low as possible. He has a 1ct round diamond for the center we would set. He likes aquamarines for the side stones that you would provide. Size 6. Stone form used?: No

Please log in to the admin panel to view the project:
